\_This meeting was a workshop on possible ways to finance the construction of a new library for Dripping Springs. Mr. Smith informed the group that the County had little funds to help finance a library. There may be ways to apply for funds, i.e.

County bonding or approval of applications made to other entities

Bank consolidation applications to Dripping Springs banks ( 8-10 banks in the area)

NGOs

TIRZ

Philanthropic foundations ( usually for the inside of the libraries, not bricks and mortar)

On a motion from and seconded by, the meeting was adjourned at cdt.

Respectfully submitted,

*Melva Codina*
