RFQ - 2025-002

RFQ Addendum No.1

The following information is issued to change, clarify, supplement, or further explain the above referenced RFQ. This information shall supersede and take precedence over the information contained in the RFQ in the event of a conflict. Answers to questions submitted will be provided by November 18, 2025.

The addendum posted on ESDS was provided to direct respondents to the primary advertisement location (www.dscl.org) where all RFQ attachments are located. That was not considered an addendum for the RFQ. This is Addendum No. 1 for the RFQ.

ITEM #01: An online Pre-Submittal Conference has been added to the schedule. Details are below. Attendance is not mandatory.

The online Pre-Submittal Conference will take place on November 19, 2025, at 1:30 PM. Please note that the due date for the submissions remains unchanged.

This conference will be an important opportunity to clarify expectations and address questions from potential CMaR's and will help ensure all interested parties have a clear understanding of the process and requirements, leading to more complete and competitive qualification submissions.

An addendum will be issued the following day (November 20, 2025) with a copy of the virtual sign-in sheet, any supplemental information provided (if any), and answers to any questions posed at the conference.

The link for the conference is below.
